We are bumping into the backyard from 9:30 to 10:30am. We'd love to have you but if you can't get yourself in by 10:30 am please don't express interest.

The event runs from 11am to 3pm. The half hour before community arrive is to set up your space, relax, maybe grab a coffee. You're welcome to attend our briefing from 10:40am. This is for our band of helpers, covering locations, Covid, running schedule, etc.

As the weather is variable, please consider bringing your own marquee if you have one. If doing that, provide your marquee dimensions at Q 6. Space is limited so you will be contained to your marquee footprint. Bring your side panels and back walls too. Limited marquees may be available, please let us know if you would like to access our small pool of marquees in Q11. A disabled port-a-loo will be on site, as well as toilets inside.

Please bring own table and chairs, water, sunscreen, umbrella and anything else you may need to have an enjoyable day.
